

**UNIVERSAL
VITAMIN C
SHOWER
FILTER**

Product Overview

SUHAE Universal transforms any standard shower into a spa-like experience without replacing your existing showerhead. This compact attachment delivers vitamin C filtration to help neutralise chlorine, providing softer, gentler water for skin and hair.

Designed for easy installation, it supports daily skincare and haircare routines while enhancing the comfort of every shower. With three signature wellness scents

Calming, Skincare, and Haircare

SUHAE Universal adds a touch of aromatherapy to elevate your daily shower into a moment of relaxation and self-care.

Calming

Moisturising

Scalp Control

SIGNATURE WELLNESS SCENTS

Calming

Enjoy a calming shower experience that helps you unwind after a long day. Soft, soothing aromas create a peaceful moment, allowing your body and mind to relax.

Perfect for evening use, the gentle scent eases tension and leaves you feeling refreshed and comfortable.

Infused with **jojoba oil**, **bottleweed extract**, and **panthenol**, it helps calm and soothe the skin while keeping it soft.

Turn your everyday shower into a simple, relaxing **ritual**. *Limited to raw material characteristics

Moisturising

Enjoy a clean, fresh shower that leaves you feeling refreshed. The light scent adds a simple, uplifting touch to your routine.

With vitamin C and gentle filtration, it helps keep your skin hydrated and balanced.

Infused with **hyaluronan** and **glycerin**, it forms a moisture layer to lock in hydration and keep skin soft.

Simple, fresh, and good for your skin.

*Limited to raw material characteristics

Scalp Control

Refresh your shower with a light, uplifting scent that leaves your hair and scalp feeling clean and energised. It turns your routine into a simple, refreshing moment.

With every rinse, it helps keep your scalp healthy while leaving hair soft and smooth.

Infused with **calamus** and **houltuynia extract**, it helps strengthen hair roots and remove impurities for a cleaner, healthier feel.

A simple way to care for your hair while feeling fresh and recharged.*Limited to raw material characteristics

**Fits your existing shower.
Transforms the water you use every day**
