

SUHAE
VITA REFILL

Product Overview

Fresh vitamin C filtration.

A new scent for every shower ritual.

SUHAE Refill cartridges are designed to keep your shower performing at its best while adding a sensory layer to your daily routine.

Each refill contains highly concentrated vitamin C that neutralizes chlorine on contact, helping water feel gentler on skin, scalp, and hair while supporting a more comfortable shower experience.

The cartridge also releases a subtle aromatherapy scent as water flows through, turning your everyday shower into a calming wellness ritual.

For consistent performance, we recommend replacing your refill every two to three months.

Designed for skin.

SIGNATURE SCENT COLLECTION

Each SUHAE refill comes in thoughtfully curated scent profiles, crafted to suit different moods and enhance every shower experience.
